ABOUT US

My future career is a Full-stack developer. Learning new languages and technologies is what I am passionate about. I am considered a team-player because I like to help other and tend to work well within the group.

WORK EXPERIENCE

2019 - Present

HUST student

I'm currently a Sophomore in ICT major, it has been really interested in growing my technologies knowledge in here.^{^^}

2020 - Now

Practice

I started practicing and learning Java Script, HTML5 and CSS in MindX , how to adjust the settings to get a good Website.

2019 - 2020

Work

I was work at a AI-IoT lab leaded by my major professor and used to practicing Algorithms for some projects.

EDUCATION

2012 - 2016

Secondary school

I studied at Thuy Lam Secondary School and received a good diploma.

2016 - 2019

High school

I passed and studied at Lien Ha high school and found my way with Maths.

2019 - Now

University

I'm currently studying at HUST and improving my skills for better career.
